In April, it will be QUAVO from Migos, one of the brand ambassador.

We will have 1 day of shooting (6,5hours) with Quavo beginning of February in ATlant.

A Swift Story

Long film portrait 1'30

The film begins in an empty concert hall, the projectors are off. Quavo is on stage, facing the seats awaiting the audience.

VO: *"When you have dreams as big as mine, when you surround yourself with incredible people, the storm always gives way to something bright."*

Break in the music, the spotlight lights up Quavo.

The logo appears: A SWIFT STORY.

Quavo's lifestyle shots : walking through the stage, getting dressed in the concert lodge, drinking Martell in a bar...

+ aesthetic shots of him

VO: *"Dream big - be daring - don't be afraid of your talent. It was by following these three things that my flow became a revolution. Each of us can revolutionize our own domain. I put in my time and hard work to be a part of this generation that doesn't just want to improve, but to transcend their creativity".*

Shots of the streets of Atlanta + iconic and symbolic places of the city + photo of his graduation

VO : *"I was born in Atlanta, the birthplace of hip hop, where so many people stood up for their rights.*

I don't know if that's what drives me to be different and free, but my audacity is never where you expect it to be.

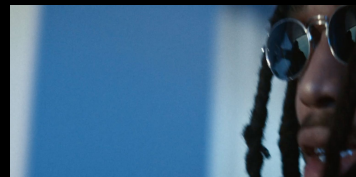

You are waiting for a feature ? I announce I graduated!"

Quavo is on a terrace which has an incredible view of Atlanta + shots in the neighborhood where he was born

VO : *"I started from nothing, my mother raised me alone, we had nothing more than each others. But she fed my desire to follow my own path, to watch how big my world could be. She can be proud of what she has transmitted to me".*

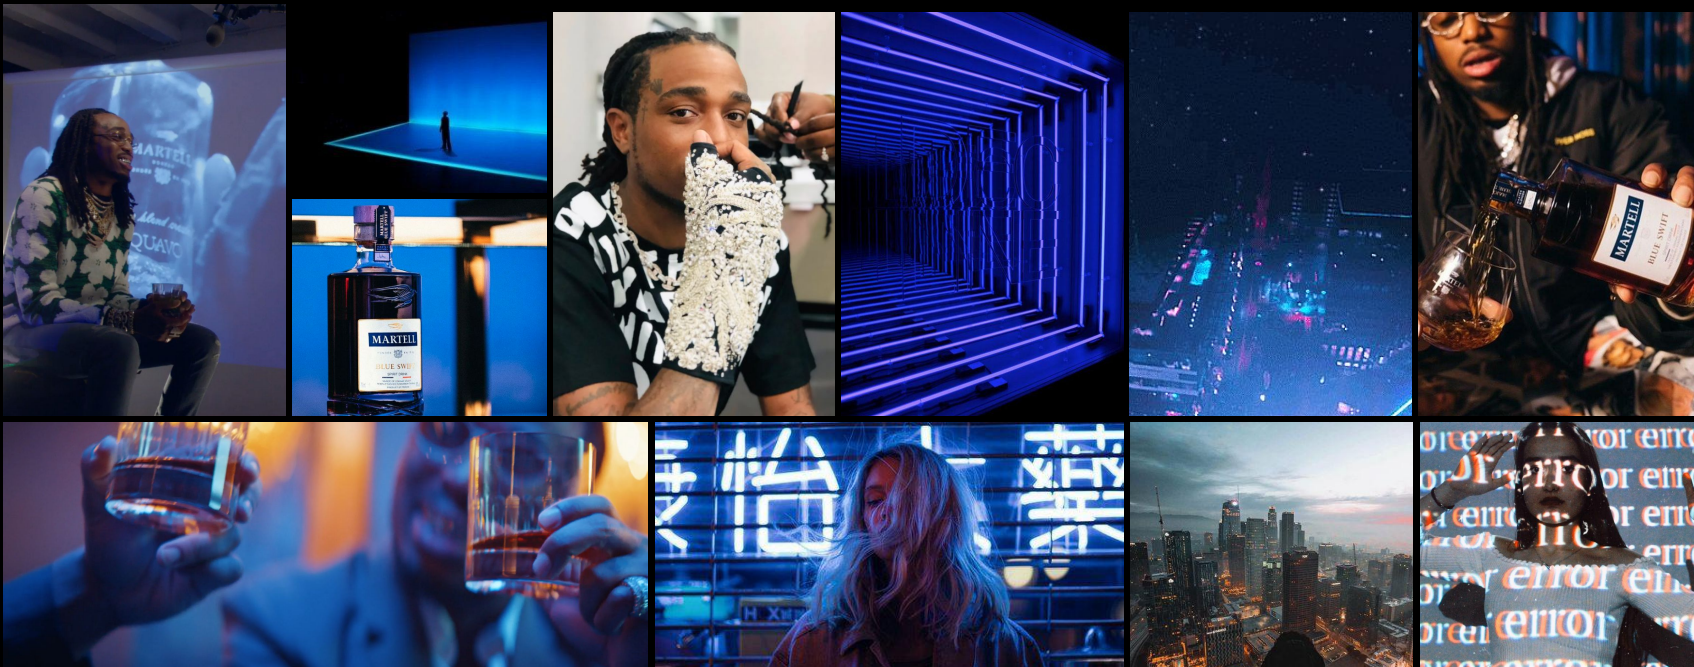

Finally, he cheers with his friends in front of the beautiful landscape + amateur images of his old concerts.

VO : *"Rap has changed my life, the support I get from my fans, my friends, seeing that my music creates community, all of this made me who I am today.*

CONTENT 2 : THREE FLOWS OF MARTELL

In this episode "Your Martell, Your Way" Quavo could challenge a bartender (it could be Elliott or another one).
VO Quavo : "My trademark is the triplet flow, it is seen as a revolution in today's hip hop world. I challenge you to make it the trademark of a Martell cocktail, I hope my flow inspires you!"

Then, we see the bartender imagine a new recipe, mixing 3 different kind of Martell, listening to a track from the Quavo Huncho album. Focus on the recipe's different steps of preparation

VO Bartender : "This track really inspired me! Let me introduce you the "Three Flows of Martell" a long drink made from 3 different Martells, unlike anything you've ever tasted before!"

Quavo tastes the Three Flows of Martell and gives his opinion
