THE WORLD IS READY TO DRINK **LOUDER** with a Bold New Flavor

Idea 1

Karol G /”Don’t be shy” Poco Pico :15

We see a close up of an elevator panel. There are no numbers only words over different color backgrounds : “Whisper” (white background) “Low” (off –white) “Moderate” (grayish) “LOUD” (poco Pico color) A woman’s hand pushes “LOUD”.

The elevator doors open and we see Karol G coming out as the BICHOTA she is.

She comes out onto a roof top party where everybody is having a great time. She walks into the party and says to camera:

KAROL G (Talking to camera): The world is ready.

She takes a margarita (daisy) flower from a vase and puts it over the ear of a beautiful blond. We open the shot and see that the blond is wearing a dress made of margaritas (daisies). Karol G gives her a Spicy Margarita Poco Pico and they both laugh at the fact that she's now a full-blown Margarita blond!

KAROL G (VOICE OVER): To dress louder

She goes towards another guy. He’s eating a Mango with lots of chile peppers and Karol G gives him a Mango Chili Poco Pico and takes the mango from him. Then, she toast the mango with the can and takes a big bite out of it.

KAROL G (VOICE OVER): To eat louder

She gets to a table where we see packs of Poco Pico and coolers with ice and cans of Poco Pico. We see close ups of the cans and the different flavors. Karol grabs one, then another, and another...

KAROL G (Talking to camera): AND DRINK LOUDER!

She throws several cans to different people who catch them. Everybody is enjoying themselves, people are opening cans, talking, laughing, some are dancing.

SUPER: New Smirnoff Poco Pico Sweet and Spicy flavors.

SIGNATURE: Sabor for the people.

Karol G /"Don't be shy" Spicy Tamarind :15

We open the spot with a street level shot. We see high heels walking very decisively.

We tilt up and we see Karol G walking into a Mexican-American street party like the BICHOTA she is.

She walks to start to mingle and she turns to camera to say:

KAROL G (Talking to camera) The world is ready

The song "Don't be shy" comes out of the speakers like an explosion. We see a couple dancing reggaeton to the music with a lot of energy. They're sweating because of the ambient heat and dancing. KG hands them a can and a bottle of Ice Spicy Tamarind and they keep on dancing.

KAROL G (Voice Over): To dance louder

Karol G winks at them, smiling. Then as she keeps walking, she passes a table where four friends are playing dominoes. They're in a friendly but loud discussion among themselves. KG intervenes serving each of them a shot of Vodka Spicy Tamarind to cool down the argument. They all take it and make a high toast.

KAROL G (Voice Over): To play louder

She gets to the bar where the bartender is putting the last touches on several Spicy Tamarind cocktails like an SST Margarita with Tajín rim, an ST Paloma with Chamoy rim and SST Mangorita.

The guy pours the SST Vodka into the cocktails. They look exotic and delicious. Karol G takes one, other people take the rest as she turns to camera to say:

KAROL G (Talking to camera): AND DRINK LOUDER!

We close with a shot of the vodka, Spicy Tamarind Smirnoff Ice bottles and cans next to Fresh Tamarinds and chiles.

SUPER: New Smirnoff Spicy Tamarind.

SIGNATURE: Sabor for the people.
